Tax will vary based on your jurisdiction. If your Company is located in the United States, tax relates to state and local sales tax. If your Company is located in Canada, tax represents Quebec sales tax (QST). If your Company is located in the European Union or United Kingdom, tax represents value-added tax (VAT). If your Company is located in the European Union or the United Kingdom and are not charged VAT, this invoice relates to services which are deemed to be supplied where received and under Article 196 Council Directive 2006/112/EC the customer must self-account for VAT on the reverse charge basis in their own jurisdiction. Notion is required to charge Japanese Consumption Tax (JCT) on services provided to consumers and businesses in Japan. If you’re using Notion for business purposes and do not have JCT charged on your invoice, you are responsible for self-assessing and reporting JCT under the reverse charge mechanism.
